Measure Yourself

Need Help? Give us a call: 800-428-2667

Step 1
Stand up straight on a hard surface with your heel against the wall and a piece of blank paper taped to the floor, flush against the wall beneath your foot.

Step 2
Have someone mark the longest part of your foot (referred to as heel-toe length) on the paper with a pen necessary. Repeat with the other foot, as right and left sizes may be different.
